To Whom It May Concern:

I have know and taught Johan Sydseter for the last 6 months at the University of New South Wales College of Fine Arts in the field of Digital Media, Video specialisation. He is a passionate, energetic and insightful man who has shown the greatest efficiency and intuition in his studies.

Johan demonstrates leadership and vision in group situations, managing large scale projects and ideas under a cohesive vision, his short films and documentaries I have seen this year have been tight, coherent pieces of work. Johan also collaborates and contributes to large group discussions with vigour, eager to hear many points of view and integrate them into his knowledge base.

I am pleased to recommend Johan for any position, professional or educational that he applies for.
